

Preschool Activity Calendar

March 2018

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
				1	2	3
				Practice brushing teeth. Try moving the brush in gentle circles on each tooth. (Health)		Read a book about the weather. What is today's weather like? (Weather)
4	5	6	7	8	9	10
Make a simple fan to create wind. (Sensory / Science)		Dance like the wind. Are you a soft breeze or a wind hurricane? (Movement)	Cut out a diamond shape from paper. Count the sides. (Shapes / Math)		Decorate kite shapes. Add a ribbon tail and hang up to display. (Art)	If it's windy today, let your child help fly a kite. (Science)
11	12	13	14	15	16	17
Make a simple dot-to-dot for your child to complete. (Beg. Writing)	Finger paint with blue and yellow paint to make green. (Colors)	Prepare potato pancakes together. (Cooking)	Make up a story about a leprechaun. (Imagination)	Find something green to wear for St. Patrick's Day. (Colors)	Cut three green heart shapes. Glue them into a shamrock shape. Add a stem. (Art)	St. Patrick's Day 
18	19	20	21	22	23	24
Practice phone manners with a play telephone. (Social Skills)	Grow a carrot-top plant by placing the top inch in a shallow dish of water. (Science)	Spring Begins! 	Try a new green vegetable today. (Nutrition / Colors)	Talk about things your child liked to do as a baby. (History)	Describe a familiar object for your child to guess what it is. (Thinking Skills)	Talk about times you feel happy. What makes you happy? (Feelings)
25	26	27	28	29	30	31
	Hide a small treasure for your "leprechaun to find." (Problem Solving)	Explain why we say "March comes in like a lion and out like a lamb." (Science)		Sing "Mary Had a Little Lamb." (Music / Language)	Make difference faces. Have your child tell you how you are feeling. (Feelings)	Sing "If You are Happy and You Know It." (Music)
