

Toddler Station

July 2016

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
					1	2
					Help your toddler make block bridges on the floor to use with her small cars. (Construction)	
3	4	5	6	7	8	9
Using an empty toilet tissue roll, make a pop-up fire cracker puppet for your child. (Lang.)	4th of July 	Sing "Pop Goes The Weasel". (Music)	Let your toddler make a yellow picture, using yellow paint or marking pens. (Art/Colors)		Look for yellow fruits and vegetables at the grocery store. (Color Recognition)	Let your child glue yellow feathers on a simple duck shape. (Art)
10	11	12	13	14	15	16
Let your toddler color with colored chalk on the sidewalk. Spray with water when done. (Art)	Play fire fighters with your child outside using spray bottles of water. (Dramatics)		Teach your toddler the song, "Row, Row, Row Your Boat". (Music)	Hold hands with your child while sitting on the floor facing one another and row back and forth. (Movement)	Let your toddler float a variety of small boats in a bath tub. (Science)	Make a sailboat from a plastic lid, some play dough, with a straw mast and paper sail. (Construction)
17	18	19	20	21	22	23
	Show your toddler how to both "push" and "pull" a wagon of toys. (Opposites)	Show your child how to crawl like a crab on a beach. (Movement)		Let your toddler help you search for beach stories at the library to read. (Language)	Make ice slushies and serve them in a bowl. (Snacks)	Make up a song about the way your child is moving, such as dancing. (Music)
24/31	25	26	27	28	29	30
Count up to five pushes, while pushing your toddler on a swing. Then repeat. (Math)	Let your child help care for a family pet. (Responsibility)	Make up a rhyme using your toddler's name. (Name recognition/ Rhyme)	Have your child make roads in the sand with a small stick. (Sm. Mus. Dev.)	Let your toddler play with a large tooth comb in the sand. (Design Art)		Help your child fill a buck with sand, add water and turn it upside-down, to make a sand castle. (Construction)
