

# Toddler Activity Calendar

## February 2019

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
					1	2
					Let your toddler hide in a box and practice popping up. (Pretend)	<b>Ground Hog Day</b> 
3	4	5	6	7	8	9
Sing your favorite ground hog song with your child. (Music)	Use a red marker to draw a heart on paper, Spray water on the heart. (Art)		Teach your toddler the rhyme, "Roses Are Red." (Language)	Let your child stick red paper scraps onto a piece of self-sticking paper. (Art)		Look for red cars with your toddler while you are out driving. (Color Discrimination)
10	11	12	13	14	15	16
Paint your child's fingernails "red" for the day. (Color)	Let your toddler finger paint with red paint on paper. Dry, then cut into a large heart shape. (Art / Shapes)	Let your child glue red hearts on a sheet of construction paper to make a placement. (Art)	Hide paper hearts around the house for your child to find. (Problem Solving)	<b>Valentine's Day</b> 	Let your toddler help you frost some heart cookies. (Cooking)	Cut a heart shape from red poster board. Cut into 4 pieces for a puzzle. (Problem Solving)
17	18	19	20	21	22	23
	Offer your toddler healthy food choices or fruits and vegetables everyday. (Nutrition)	Give your toddler some hair "scrunchies" to use for bracelets. (Dress-Up)	Poke a hole in a piece of paper. Have your child drop crayons through the hole. (Coordination)	Point out things that are straight (pencils, rulers) and things bent (Macaroni, hangers) (Opposites)	Let your child use a flashlight in a dark room. Make designs on the walls. (Science)	
24	25	26	27	28		
Search for shadows in your yard to step on. (Science / Problem Solving)	Provide a stool so your toddler can wash his hands often during the day. (Health)	Snuggle on the couch and read a favorite story to your child. (Literature)	Count body parts; one mouth, two eyes, two ears, etc. (Math / Body Awareness)	Sing songs about body parts. (Music)
